

# 2019 AHR Expo Education Sessions

| Session Title                                                                                       | Date and Time              | Location                      | Type                                   |
|-----------------------------------------------------------------------------------------------------|----------------------------|-------------------------------|----------------------------------------|
| Professional Development Seminar: Commercial Building Energy Audits (code 60)                       | 01/12/2019<br>8:00 - 03:00 | B302                          | ASHRAE Learning Institute Courses (\$) |
| Professional Development Seminar: Effective Energy Management in New & Existing Buildings (code 61) | 01/12/2019<br>8:00 - 03:00 | B303                          | ASHRAE Learning Institute Courses (\$) |
| Professional Development Seminar: Operations & Maintenance of High-Performance Buildings (code 62)  | 01/12/2019<br>8:00 - 03:00 | B304                          | ASHRAE Learning Institute Courses (\$) |
| Short Course: Advanced Designs for Net Zero Buildings (code 63)                                     | 01/13/2019<br>3:30 - 06:30 | B302                          | ASHRAE Learning Institute Courses (\$) |
| Short Course: Latest in High-Performance Dedicated Outdoor Air Systems (code 65)                    | 01/13/2019<br>3:30 - 06:30 | B303                          | ASHRAE Learning Institute Courses (\$) |
| Short Course: Variable Refrigerant Flow Systems: Design & Applications (code 66)                    | 01/13/2019<br>3:30 - 06:30 | B304                          | ASHRAE Learning Institute Courses (\$) |
| Short Course: Air-to-Air Energy Recovery Applications: Best Practices (code 64)                     | 01/13/2019<br>3:30 - 06:30 | B305                          | ASHRAE Learning Institute Courses (\$) |
| New Deal Cybersecurity Summit                                                                       | 01/14/2019<br>7:00 - 11:00 | B310                          | Free Industry Sessions                 |
| NATE Testing & Review                                                                               | 01/14/2019<br>8:00 - 05:00 | C207                          | Certification Exams (\$)               |
| Short Course: Humidity Control I: Design Tips and Traps (code 67)                                   | 01/14/2019<br>8:30 - 11:30 | B302                          | ASHRAE Learning Institute Courses (\$) |
| Short Course: Solar PV & Thermal Analysis and Design (code 68)                                      | 01/14/2019<br>8:30 - 11:30 | B303                          | ASHRAE Learning Institute Courses (\$) |
| Short Course: Thermal Energy Storage Systems for Air Conditioning (code 69)                         | 01/14/2019<br>8:30 - 11:30 | B304                          | ASHRAE Learning Institute Courses (\$) |
| Short Course: Understanding and Designing Chilled-Beam Systems (code 70)                            | 01/14/2019<br>8:30 - 11:30 | B305                          | ASHRAE Learning Institute Courses (\$) |
| Low Cost Leads are Hurting Your Business                                                            | 01/14/2019<br>9:00 - 10:00 | B309                          | Free Industry Sessions                 |
| The Future of Building Automation Creating Our New Persona "Building Emotion"                       | 01/14/2019<br>9:00 - 10:00 | B311                          | Free Industry Sessions                 |
| Monetization of Intelligent Buildings                                                               | 01/14/2019<br>9:00 - 10:00 | B313a                         | Free Industry Sessions                 |
| Customer Service is Not a Department, it is a Mindset                                               | 01/14/2019<br>9:00 - 10:00 | B313b                         | Free Industry Sessions                 |
| BACnet 101: From an HVAC Perspective                                                                | 01/14/2019<br>9:00 - 10:00 | Thomas<br>Murphy<br>Section 1 | Free Industry Sessions                 |
| HVAC Duct Construction - Duct Design                                                                | 01/14/2019<br>9:00 - 10:30 | B315                          | Free Industry Sessions                 |
| Trends in the Global HVAC Market                                                                    | 01/14/2019<br>9:00 - 11:00 | B312                          | Free Industry Sessions                 |

|                                                                                                  |                             |                               |                                                    |
|--------------------------------------------------------------------------------------------------|-----------------------------|-------------------------------|----------------------------------------------------|
| Air Purification to Keep Ductless Mini-splits Free of Mold and Odors                             | 01/14/2019<br>10:15 - 10:35 | Theater A -<br>room C101      | Exhibitor Product &<br>Technology<br>Presentations |
| How Fieldpoint's Latest Solution Can Help Your Enterprise Achieve Field Service Management Goals | 01/14/2019<br>10:15 - 10:35 | Theater B -<br>room C102      | Exhibitor Product &<br>Technology<br>Presentations |
| TCOD-Clean; High Purity Filtration Selection & Design Software                                   | 01/14/2019<br>10:25 - 10:45 | Theater C -<br>room C103      | Exhibitor Product &<br>Technology<br>Presentations |
| Introduction to Building Automation Systems                                                      | 01/14/2019<br>10:30 - 11:30 | B311                          | Free Industry Sessions                             |
| Developing a Cyber Security Defense                                                              | 01/14/2019<br>10:30 - 11:30 | Thomas<br>Murphy<br>Section 1 | Free Industry Sessions                             |
| Psychrometrics Without Tears                                                                     | 01/14/2019<br>10:30 - 12:30 | B309                          | Free Industry Sessions                             |
| DOE Regulations and the HVACR Industry                                                           | 01/14/2019<br>10:45 - 11:05 | Theater A -<br>room C101      | Exhibitor Product &<br>Technology<br>Presentations |
| Intuitive Refrigerant Compliance Monitors for Commercial and Industrial Gas Leak Applications    | 01/14/2019<br>10:45 - 11:05 | Theater B -<br>room C102      | Exhibitor Product &<br>Technology<br>Presentations |
| Scalable Building Control Solutions from Trane                                                   | 01/14/2019<br>10:55 - 11:15 | Theater C -<br>room C103      | Exhibitor Product &<br>Technology<br>Presentations |
| Low GWP Refrigerants: Components and System Designs                                              | 01/14/2019<br>11:00 - 12:00 | B313a                         | Free ASHRAE<br>Conference Sessions                 |
| Pairing Geothermal and Hydronic Systems in Residential Buildings                                 | 01/14/2019<br>11:00 - 12:00 | B313b                         | Free ASHRAE<br>Conference Sessions                 |
| Commissioning Based Energy Management: A High Impact, High Performance Approach                  | 01/14/2019<br>11:00 - 12:00 | B316                          | Free Industry Sessions                             |
| New Products and Solutions in a Changing Industry, an EU Perspective                             | 01/14/2019<br>11:15 - 11:35 | Theater A -<br>room C101      | Exhibitor Product &<br>Technology<br>Presentations |
| Marley® MD Everest® Counterflow Cooling Tower                                                    | 01/14/2019<br>11:15 - 11:35 | Theater B -<br>room C102      | Exhibitor Product &<br>Technology<br>Presentations |
| Redefining Modern Building Management with Latest Metasys® Release                               | 01/14/2019<br>11:25 - 11:45 | Theater C -<br>room C103      | Exhibitor Product &<br>Technology<br>Presentations |
| Connected Multi-Dwelling Units and the Internet of Things                                        | 01/14/2019<br>11:30 - 12:30 | B310                          | Free Industry Sessions                             |
| Building and Drinking Water – Managing the Emerging Risks                                        | 01/14/2019<br>11:30 - 12:30 | B315                          | Free Industry Sessions                             |
| WebCTRL v7 Building Automation System – Advanced Reporting, Dashboards & Visualization           | 01/14/2019<br>11:45 - 12:05 | Theater A -<br>room C101      | Exhibitor Product &<br>Technology<br>Presentations |

|                                                                                                    |                             |                               |                                                    |
|----------------------------------------------------------------------------------------------------|-----------------------------|-------------------------------|----------------------------------------------------|
| Tackling New R-12 Insulation Requirements with a Single Layer of Insulation                        | 01/14/2019<br>11:45 - 12:05 | Theater B -<br>room C102      | Exhibitor Product &<br>Technology<br>Presentations |
| New Nonflammable, Reduced GWP Replacement for R-410A                                               | 01/14/2019<br>11:55 - 12:15 | Theater C -<br>room C103      | Exhibitor Product &<br>Technology<br>Presentations |
| Building Automation 101                                                                            | 01/14/2019<br>12:00 - 01:00 | B311                          | Free Industry Sessions                             |
| Increasing Energy Efficiency in Air Handling Units with punker D-SERIES Diffuser Fan Wheels        | 01/14/2019<br>12:15 - 12:35 | Theater A -<br>room C101      | Exhibitor Product &<br>Technology<br>Presentations |
| Ethernet BACnet IP/ WIFI BACnet IP- Thermostats and VAV Controllers                                | 01/14/2019<br>12:15 - 12:35 | Theater B -<br>room C102      | Exhibitor Product &<br>Technology<br>Presentations |
| Smarter Building Controller: The Cloud-based, Affordable, Portfolio-wide HVAC Management System    | 01/14/2019<br>12:25 - 12:45 | Theater C -<br>room C103      | Exhibitor Product &<br>Technology<br>Presentations |
| Addressing Risk In an IoT-Connected World                                                          | 01/14/2019<br>12:45 - 01:05 | Theater A -<br>room C101      | Exhibitor Product &<br>Technology<br>Presentations |
| The New RenewAire Slimline ERV                                                                     | 01/14/2019<br>12:45 - 01:05 | Theater B -<br>room C102      | Exhibitor Product &<br>Technology<br>Presentations |
| Why is Filtration Critical for Minimizing Legionella Growth                                        | 01/14/2019<br>12:55 - 01:15 | Theater C -<br>room C103      | Exhibitor Product &<br>Technology<br>Presentations |
| Necessity of Filtration on Open Cooling Systems                                                    | 01/14/2019<br>1:00 - 02:00  | B309                          | Free Industry Sessions                             |
| Airflow Testing Accuracy in the Field                                                              | 01/14/2019<br>1:00 - 02:00  | B315                          | Free Industry Sessions                             |
| Marketing through Engagement                                                                       | 01/14/2019<br>1:00 - 02:00  | B316                          | Free Industry Sessions                             |
| Is HVACaaS (HVAC as a Service) in Your Future?                                                     | 01/14/2019<br>1:00 - 02:00  | Thomas<br>Murphy<br>Section 1 | Free Industry Sessions                             |
| Cooling Tower and Water Treatment Fundamentals                                                     | 01/14/2019<br>1:00 - 03:00  | B312                          | Free Industry Sessions                             |
| The Array Boiler: High-efficiency Condensing Boiler with the Benefits of Redundant Heat Exchangers | 01/14/2019<br>1:15 - 01:35  | Theater A -<br>room C101      | Exhibitor Product &<br>Technology<br>Presentations |
| Symphony: The Next Step in Intelligent Automation and IoT for the Hospitality Industry             | 01/14/2019<br>1:15 - 01:35  | Theater B -<br>room C102      | Exhibitor Product &<br>Technology<br>Presentations |
| Wireless Pressure Sensing for Refrigerant Monitoring in AC and Refrigeration Systems               | 01/14/2019<br>1:25 - 01:45  | Theater C -<br>room C103      | Exhibitor Product &<br>Technology<br>Presentations |
| Smart Environments for Humans                                                                      | 01/14/2019<br>1:30 - 02:30  | B311                          | Free Industry Sessions                             |

|                                                                                                         |                            |                               |                                                    |
